The Camelizer

- Prices change wildly at Amazon
 - should you buy now?
 - should you wait for a better price?
- Wouldn't it be nice...
 - to know price history
 - to be alerted if a better price comes up
- *The Camelizer*
 - For Chrome, Edge, Firefox, Opera

Really simple photo editing

Just starting with photo editing?

- Try Windows 10's "Photos" app
- Handles the basic tasks
 - Cropping
 - Lighting (overall, shadows, contrast, highlights)
 - Colour (tint, warmth/temperature)
 - Clarity
 - Red eye
 - Spot fix

Really simple photo editing

Once you are comfortable with that

If you want more capability

- masking, cloning, special effects

Consider a more advanced editor

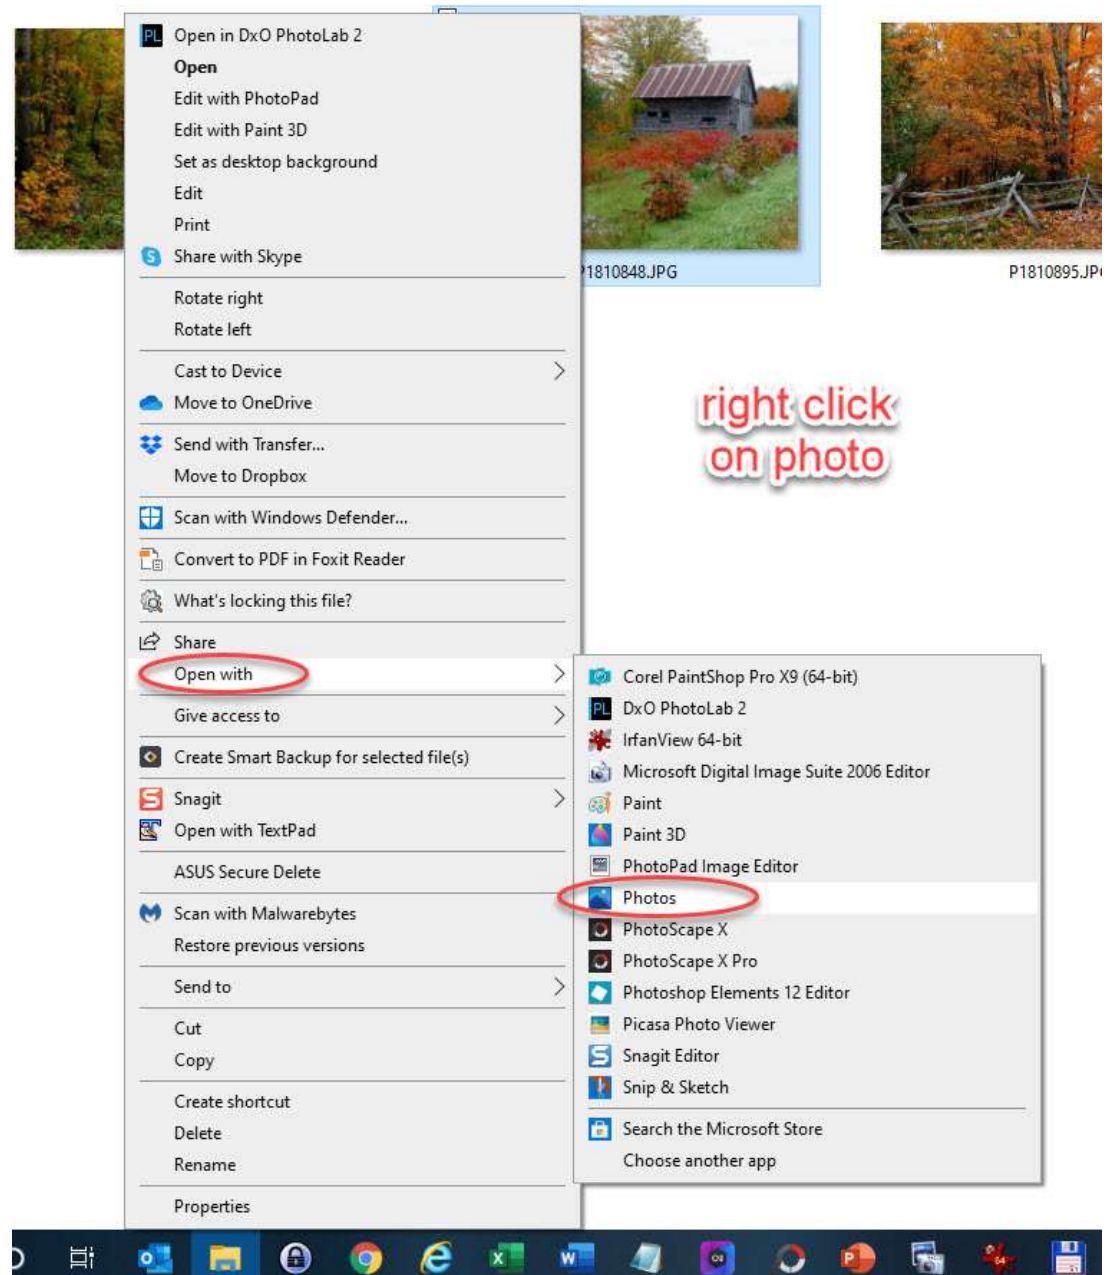

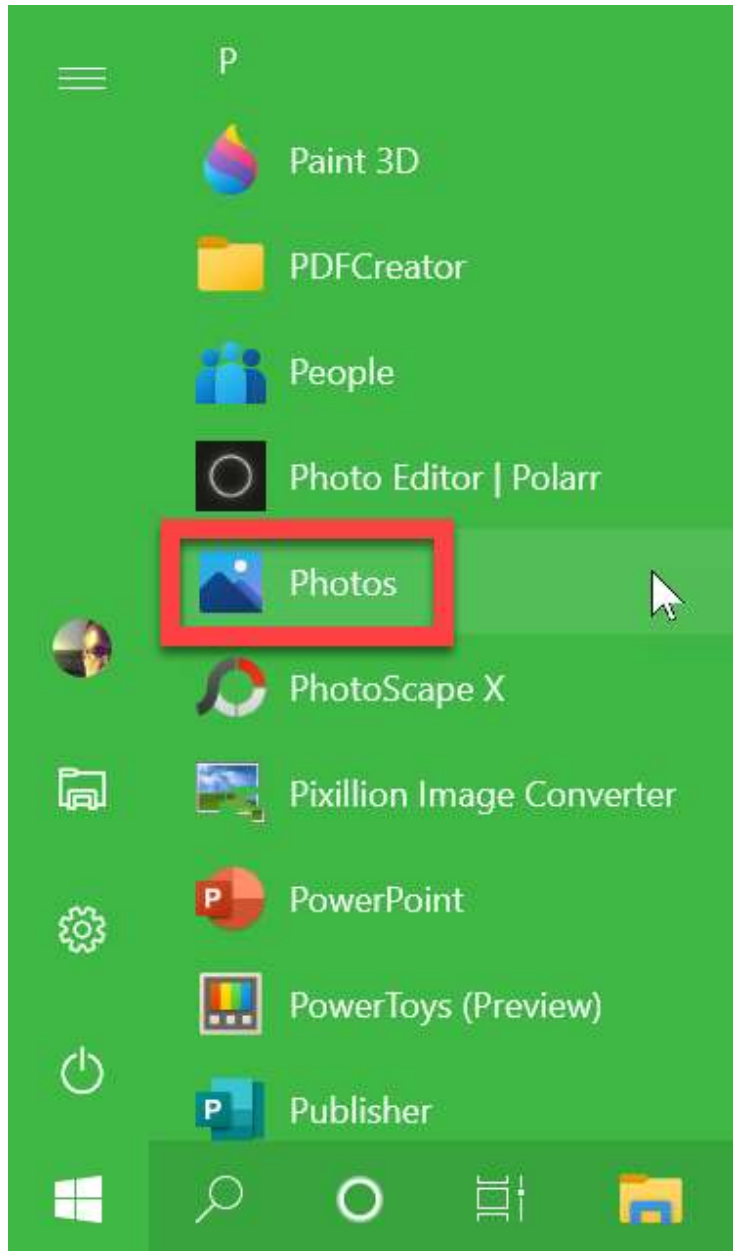

- PhotoScape X (free), PhotoPad (free)

Google Play Store Install Button Greyed Out

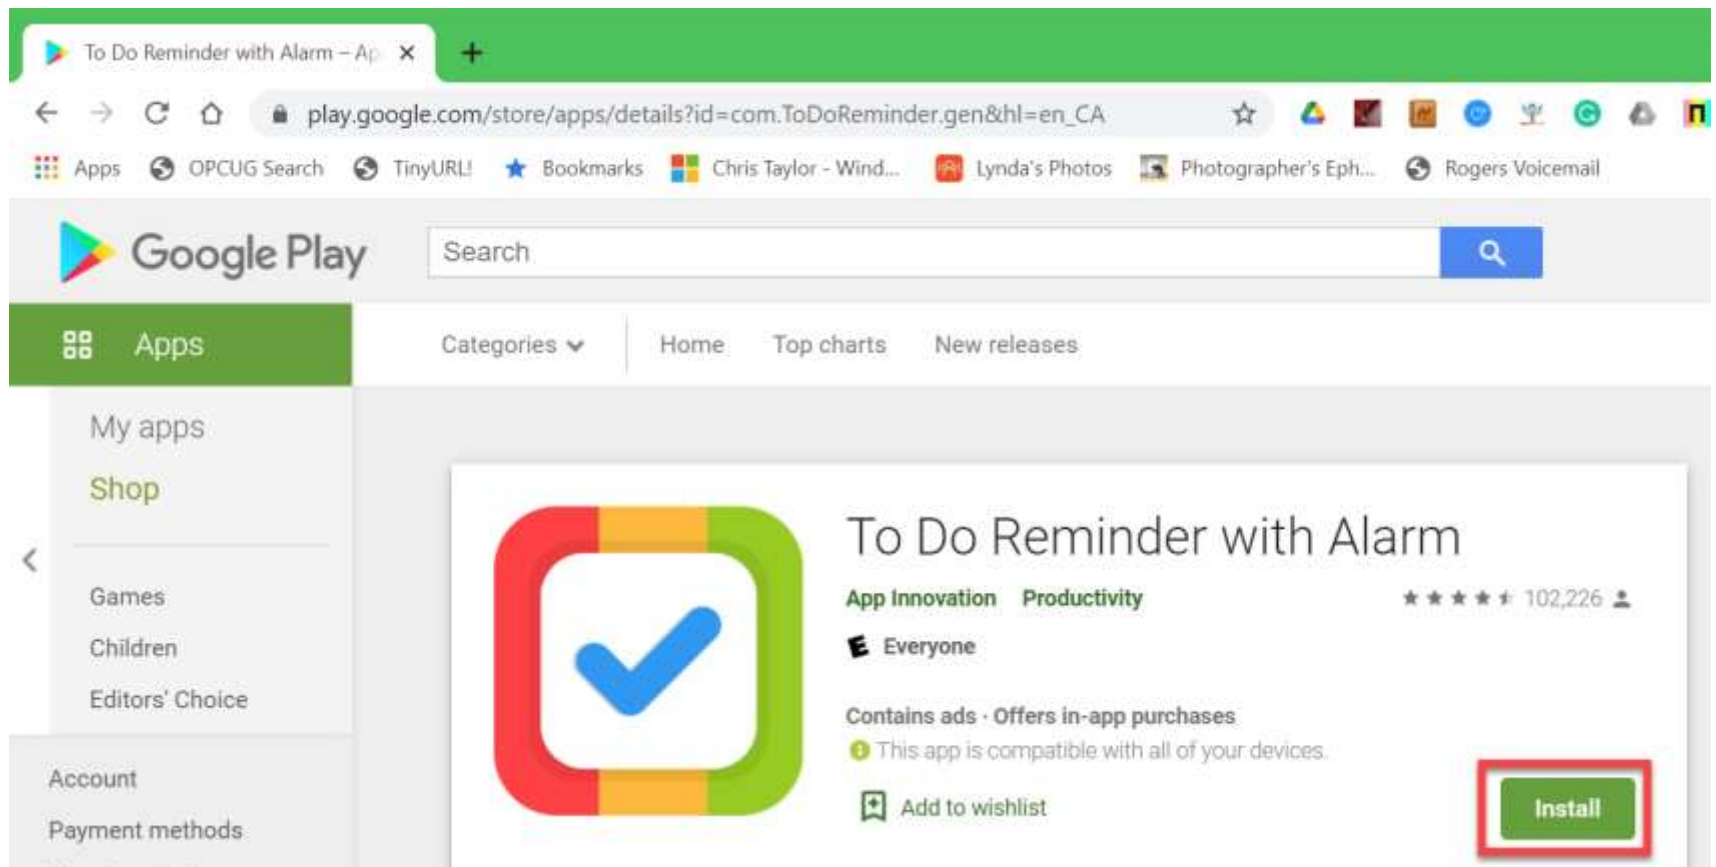

- Go to install a Google Play Store app
- It is compatible with all my devices
- Install button is greyed out
- What gives?

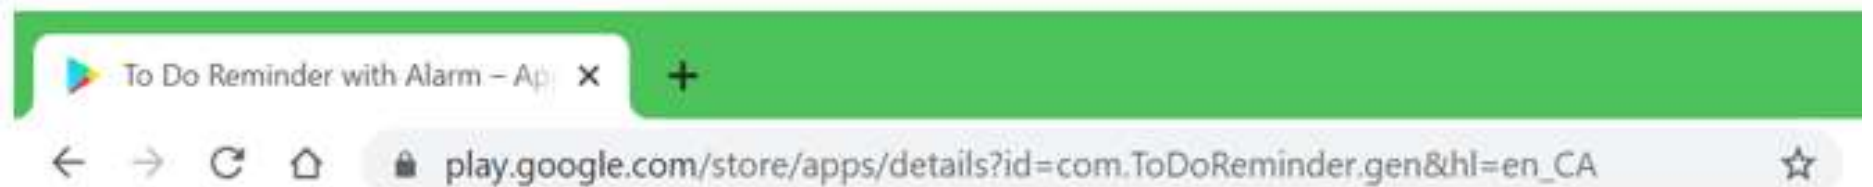

A

Install Button Fix

- Remove the **&gl=US** from the URL

How fast and at what cost?

- My Internet plan gives me 20 GB for \$46.95
- Last month my usage was 33 GB and my bill was \$151.00
- My upload and download speeds are slow (6/1 Mbps)
- What would you recommend for levels of speed, traffic, and cost?
